HANDY HINTS

Great Products
Genuine Passion

Animal Stains

Blot dry, pour on Glendale Methylated Spirit, rub and blot dry. Raise pile and allow to dry.

Ballpoint Ink Stains

For washable fabrics, soak in Glendale Methylated Spirit and then wash as normal.

Blisters

If you do a lot of running/walking and suffer blisters, try this - rub your feet in Glendale Methylated Spirit daily for a week before hand and it should do the trick.

Brooms

Sprinkle a little Glendale Kerosene on your broom once a week and it will collect fluff and dust more easily.

Computers

To keep your computer screen and keyboard clean and free of dust use a damp soft cloth and rub with Glendale Methylated Spirit.

Dirty Floors

To clean dirty varnished floors, wash with a mop dipped into a solution of warm water and 1/2 cup of Glendale Methylated Spirit.

Frypans

Remove dark grease marks from your pan with steel wool dipped in Glendale Methylated Spirit. Polish with Bicarbonate of Soda on a damp cloth for an extra shine.

Furniture Cleaner

Mix equal parts of Glendale Kerosene, Glendale Methylated Spirit, Glendale Mineral Turpentine and Vinegar in a glass jar with an airtight lid. Tighten lid and shake well. Marks left by furniture legs - rub with a damp cloth dipped in Glendale Kerosene. If very dirty, scrub with steel wool dipped in Glendale Mineral Turpentine.

Furniture Polish (Home Made)

For a wood polish:

Mix together
1 cup Glendale Raw Linseed Oil,
1 cup Glendale Mineral Turpentine,
1/2 cup Glendale Methylated Spirit
1/2 cup Vinegar

Suitable for all woods. Apply a little at a time with a slightly dampened cloth. Buff to shine with a soft, dry cloth.

Glassware

Light scratches should be rubbed gently with a dry, clean cloth with a few drops of Glendale Methylated Spirit on it until they disappear.

Glass Stains

Sponge white material with Glendale Methylated Spirit and warm water. For fresh stains, rub with Glendale Methylated Spirit, leave for an hour. Wash as usual.

Kerosene Fumes

Get rid of kerosene fumes when using Kerosene heaters by adding a few drops of vanilla essence to the tank as you fill it with fuel.

Lino (Cleaning)

To get rid of marks on lino, dip steel wool in Glendale Mineral Turpentine and rub cautiously. Wash with warm soapy water.

Mildew on Clothes

Coloured fabrics should be dipped in Glendale Kerosene, rolled up and left overnight. Then wash in warm soapy water to which 1/2 cup of Glendale Ammonia has been added.

Mirrors

To clean mirrors rub clean with equal parts of Glendale Methylated Spirit and water.

Mould Removal

Mould Off removes slimy green and slippery black algae, moss, mould and mildew from concrete, pavers, tiles, bricks, timber decking, synthetic courts and sandstone.

Nicotine

To remove from fabrics, sponge with Glendale Methylated Spirit (dilute with 2 parts water for man made fabrics).

Photographs (Old)

Old photographs can be cleaned with cotton wool dipped in Glendale Methylated Spirit. This will not damage the surface.

Piano Keys

Clean with Glendale Methylated Spirit. Do not use water.

Shower Doors (Glass)

A solution of equal amounts Glendale Kerosene and Brown Vinegar is excellent for cleaning soap scum off the shower glass doors. Make sure the room is well ventilated before you start cleaning as the fumes can be quite strong.

Sticky Labels

Glendale Methylated Spirit or Glendale Mineral Turpentine rubbed over label will help remove it.

Tired Feet

After washing and drying your tired or aching feet, dab them with Glendale Methylated Spirit on some cotton wool for an instant lift.

Umbrellas

A rub down with Glendale Methylated Spirit will clean most umbrella surfaces and help them wear better.

Verandah Tiles

To clean them mix 300mL vinegar with the same amount of Glendale Kerosene. Shake and apply with soft cloth. Also good for paint work, marble and lino.
